House of Representatives

February 23rd 1837

Dear Sir:

I have received your letter of yesterday, inviting me to attend the meeting of the Maryland State Colonization Society next week; and I regret that I am deprived of the power of complying with your wishes, by reason of indispensable engagements which I have contracted at Philadelphia & at New York, and which will require me to proceed thither with all possible dispatch as soon as the Session of Congress is determined.

I remain,

Very respectfully Yours

C. Cushing.
