Dr Bro Easter

Chester Town 18th March 1837

It is now shown to my entire satisfaction, that there will be no emigrants from Kent Island this Spring. I have conversed with our friends, who, (contrary to Mr Latrobe's conjectures) have done all they could to induce the colored people to emigrate. They say that they will not go; and what they have said has been fully corroborated by the conduct of the blacks Thursday, who I am confident would not go, if offered one hundred dollars each in addition to the inducements now held out to them. So much for the influence exerted by misrepresentations of those opposed to us.

I send you a list of names and the numbers of those who were confidently expected to have gone to Liberia this Spring. from Kent Island

Charles Wickes	8 in family	Quinn Guinnage	9
Jacob Manerdts	8 —	Charles Hazelton	6
Daniel Poulson	8	Robert Hazelton	1
Wesley Brown	4	Thomas Willson	5
Harris Brown	4	James Harry	3

I shall be at Church Hill tomorrow and hope for better things from that neighborhood.

It will be highly gratifying to hear from you.

Sincerely yours

John H. Kennard

P.S. If you write direct to Tuckers + Roads, Queen Annes Co.
