

M. Sandus officiated - Instead of a sermon he
said the Bonanos' prefacing it with a few re-
marks "of de great importance of dat prayer" I did
not get an opportunity of speaking with his
Holiness. Manoro is not more than 7 or 8 miles
from my boarding house, and now knowing the
way to that delectable spot, I shall frequently
take advantage of my knowledge by attending
Church often.

You may tell Mr. Andrews he may
retain my hat until I come up - I wish it to be
of a good quality. I can not say when I will
be with you. It is an impossibility at the pre-
sent time to procure a horse as the busiest season
of the year by farmers is now.

I trust my dear little Brother is
getting better. I want to see him very much as also
the rest of the family.

Consider the "matter of course" in
Mother's note Ben returned, without repetition, for cu-
tain it is you are all very dear to me. Let it ex-
tend to Aunt Sally's family & to others if any there be
whom have any regard for you all & myself. I suspect
the magnitude of our friends will not fatigue you in
performing the office.

Being exceedingly desirous of assisting
my feet with some water & making some preparations for a you
and your family good night with the same feelings of deep
and abiding love as ever on the part of your affectionate Brother
