sucks as to prevent their embarking
in the Spring expeditions, but that
they can't it will be a day of the
fact. For my part, it has not
been in my power to do that
much for you, which I
regret, inasmuch as I flatter myself
I have always taken a deep
interest in the objects & progress
of the Society you represent.

With my best thanks for
your attentions in forwarding
me the papers lately rec'd from
you, I am, very Respy Yrs
