Rev Mr Kennard

My dear brother I send these few lines to let you know that I am on the mend My attack of the fever was very severe for some time my life was disposed of but through the goodness of God I am again permitted to have the prospect of returning to health

I hope you will not think it an unreasonable request which I shall make on you for a half bbl of flour for me and my associates as much as flour is heard to be obtained here.

According to the request which was made of me to return at the expiration of 18 months as it years to America the Lord willing I shall comply with, at which time I hope to be able to settle for the flour, and other favors received.
