Elkton April 19th 1837. —

Dear Sir:

I have rec'd yours of the 18th & however favorably the design of Colonizationists ought to viewed; it does not appear to me that a Society can now be formed to advantage here; I do not know that a meeting of twelve, or even six, persons could be assembled; but arrangements requiring a few months time for their operation, may make a future time, (say at next October term of Cecil county court) propitious. In the meantime, please to send me any letters that may have come from Africa for Henry Pratt & John Howard Harrington, George Freeman or others of this county or vicinity; and inform me by what time letters should be sent to Baltimore, for those who emigrated last fall from this county.

My best respects to Dr Fonerden, desire him to put the Revd John G. Wilson of New Leeds near Elkton, at the head of the list I sent him and to add Mr James Ewing P. M. Ewingville post office, thereto. —
