25 apl. 37.

Dear Sir

I rec.d your last letter and would have answered it sooner, but have been very busy ever since I rec.d it. —

I am now engaged in our Court with important criminal business, and can only say that I will endeavour, as soon as I can get relieved from some of my labours, to write off my Sketch. I wish I could have time to give my views of Colonization more fully. I have long looked to it as what alone can deliver at least a considerable part of our Country, & particularly Maryland, from a great evil.

I am very respt.y
