Lond Town April 28 1837

Dear Sir,

Stephen Smith called this morning to inform me that he shall leave this County for your place on Thursday next in the Steam Boat Pulaski and be ready to sail in the Spring Expedition to Liberia under the Care & direction of the Board of Managers of the State Colon. Society. He will take with him part of his Black Smith tools — such I presume as he has & can conveniently have carried with him.

I am with great respect
