

have a copy ready for exhibition,

We are making very large additions to our circulation by mail, and intend to establish Subscription agents in every state, so that the list of our Subscribers will increase to an enormous extent.

Let me hear from you, and learn what is to be the extent of your operations, consider the matter, and see if you do not think that you could do well by taking a tour throughout your state, You may also be benefited by building up a reputation as a successful newspaper agent.
