Fredericksburg

Dear Sir,

The friends of my brother in law, the Revd. L. B. Minor, are extremely anxious to retain him here as long as possible, and as from her representations I think the day of the sailing of the vessel is by no means absolutely certain, I take the liberty of dropping you a line to enquire whether, since his departure from Baltimore, you are in possession of any information which will enable you to indicate the precise day. Be pleased to inform me by what time he must be in Baltimore, giving him a day or two to make arrangements there

I am respectfully
Yours.
