Office of the American Colonization Society
Washington May 12. 1837

Dear Sir,

Our Board avail themselves of your kind offer to give conveyance to the vessel which your Society proposes to send in a few days to Africa, to a box containing some packages for the Lieutenant Governor. This box, directed to him, and addressed to your care, will be forwarded to Baltimore tomorrow by the rail road.

I am instructed to request you to purchase for us in Baltimore, and send out in your vessel to the Rev. Anthony D. Williams, Lieutenant Governor of Monrovia, two bags of upland cotton, six cotton wheels, and two dozen cotton cards. Your draft for the cost will be promptly paid; unless you should be willing, which we should prefer, that they should be settled for on account of a large frame house lately obtained from the authorities at Monrovia by Gov. Russwurm for the use of your Colony; and of freight, amounting to ten dollars, of sundry articles shipped in the Brig Lima by the Rev. Wm. McKenney and consigned to Dr. Skinner.

Yours very respectfully,

P. R. Fendall, Recorder A.C.S.
