Our people are all right in judgment, it is all important to have an operation which shall stimulate that right judgment to action exercise. Let yr. notices be general - get news shackles if you can - the more shackles the better - particularly if not long and when a little excitement is produced, follow it up by getting them to work promptly - as agents or any how, so they be kept moving.

These are my views, given freely as asked and perhaps little worth.

Ly. yr. E. H. Chambers
