he believes by them should he return in person.
Mr Centerville conversed with Wm Harper Esq., is a dear
friend and prominent advocate of our cause, said
there was an important man of color, who was
in the habit of calling on him for information and
he is inclined to think he may go to Africa - The
blacks have an notion that Walker is desirous
of returning, and will do so, as soon as possible.
Have a letter from Parker, unfavorable, written to
John Browne Esq.

I wish Mr Easton to send me the Deputy
Journals, New York Evangelist &c. (as many of
the last as he has) to Easton, by earliest conveyance
I shall write there for them. It will be gratifying
to receive a letter from dear F. My health is good
