-nish me a list of subscribers in this County to the Colonization Journal that I may suggest where and to whom, you will send a few gratuitous numbers; there are some of our citizens, in whom a friendly feeling would be created thereby; and others whose partiality might amount to zeal.

Economy has its charm, & efficiency for those as well as stronger reasons; and as we cannot command funds of the people of this county; we need not forbear to act with good effect without them, in the modes alluded to. —

Very respectfully
Your Obt Sr

25th N.B. I learn by the "Baltimore American" of this date that the Niobe was at Cape Palmas on the 12th of May and would sail for Baltimore about the middle of June; if letters came by the opportunity that brought this intelligence, I would like to know if any were for this county or neighborhood, and for whom. —
