Dear Martie,

I presume you
did not get off this morn'g
I thought perhaps I would
see you about 11. Was up
town today, but not as far
as West St., or I would
have come in to see you.

Martie if you've some
wide white tape, say half
an inch - will you please
send me two pieces; I will
give you the money ^{as} some
other time.

Yours ever
Lucia.
