Cape Palmas July th 7 1837

Dear friend

I am very happy to to tell you that we are ingoying good health as well as canbeexpected We are now living on our farm which produces a fine faarty of plantins casava potatoes bonos And we get a palm oil from the native which answer for our lamps and also to cooke with rice is very plentyful at some times

I am sorry to inform you that our things that was sent out were all spoil rotten and hardly any was good any thing Dear sir I wish you would send me a straw bonet and also ribon to suit it such thing as those are very searce and a pair of stockins and I would wish you would send me any thing that you think is useful please to give my love to all inquiring friend tell all that I am well please with home

nothing more
