

Dear Mark -

Nan is too obstinate  
for me - so we've decided to go in  
the "small boat" though I would  
prefer going in the "jolly" boat -  
with your party. So if you would  
rather go with us be here at 8, sharp

Nan says will you please hand  
Luce - the enclosed note - and please  
bring an answer - she will send  
round at 4 - to the store - unless  
you prefer bringing it yourself.

Yours as haste  
Luce
