

of the happy moments spent
with you I can but wish
I was in Annapolis to day,
But Susie dear am I not to
fast in writing to you in this strain
for how do I know what your
feeling are towards but I hope
the same as ever. Who is the
post master in your place now
Susie I can but tell you of Nellie
Galt I pass her very often
in my working clothes and she
never know me I have to laugh
at her. Tell her that I heard
she and John Heffer were
to be married is there any
truth in it

By the way who
is Nellie Dubois head at present
who will win the race the
Mary buttons. or Graham and
as for Mollie Percell I
suppose she it is one continues

new lease with her.
Do you
ever hear from Geo the slave
I suppose you are in constant communication
with Josie. How is
Johnny doing with the store
Susie
I want you now to write
me a good long letter in
reply to this and I will
be prompt to answer
and never let there be such
a lull in our correspondence
again. Regards to Pa e Ma and
all the family.
Affectionately yours
C.H.
