Colonization Rooms
Baltimore 26th July 1837

Dear Sir

I reached this City on Thursday night at 11 o'clock, and expect to leave this afternoon at one. My last letter brought my diary up to leaving Frederick City. This will continue the account of tour to Hagerstown, and homewards.

Diary.

24th July. Left Frederick City 6½ o'clock. Reached Hagerstown at 9. Saw Revd Mr. Wachter of German Reform Church. Also Messrs Samuel Hallaugh, Jam Henry, and John Appleman, laymen. All favorable to Colonization. Revd Mr Bachman and Revd Mr Butler out of town. Urged Mr. Wachter to take up a collection for us, and the laymen, connected with the other Churches, to request their respective pastors to do the same. The farmers are now so much engaged with their harvests that our friends thought it best to defer all efforts in favor of Colonization for the present. There is a healthy neighbourhood 8 miles distant in which Revd Mr Wachter has a congregation, and which Mr Wachter thinks will do something considerable for our cause. I have promised Mr W. to visit his people and to give him notice of my coming, that preparatory arrangements may be made.

Spent at Boonsborough, Washington County, 16 miles from Frederick City, Collected several, and found favorably disposed towards Colonization. Saw Revd John E. Gilbert, of Ch. E. Church. Mr G is a Colonizationist of the right stamp. Pleased to hear
