Dear Sir

I left Baltimore on Thursday morning 27th July & dined at Tarver 23 miles distant from Baltimore. Reached Liberty Fredrick County at 6 o'clock. Breakfasted at 8 o'clock, 28th I left Liberty at 7 o'clock. Dined with Mr Cromwell, a wealthy and respectable farmer residing in Israels Creek neighbourhood. I had been informed by Revd John W. Porter that Mr C proposed giving fifty dollars in aid of our cause, He however said nothing on the subject to me, and I thought it best to say nothing to him until Mr Porter had, if possible secured as this sum.

On my arrival at Mr Cromwells, a free man of Color was at work for him, and before I had reached his house this man said to him I was purchasing people to be sent to Africa, now said he, or you sold me for a large price, and we will divide. This Mr C told me before I left his house.

I called to see Revd Mr Hoffman, not at home. Left name and promised to call next week. Staid night with Mr Nelson, an intelligent, pious, and leading man, a zealous Colonization friend, and hopes he can do something in securing emigrants, patronized only with sound families. Speed in whole or in part by him.

29th. Left at 7 o'clock for Frederick City & dine
