New Haven 16 Aug. 1837.

Dear Sir,

The box referred to in yours of the 11th inst (for which I thank you) may be forwarded by Packet to New York there to be put on board the New Haven Steamboat. Or, if it is of moderate size, it may be forwarded according to your discretion by the Union Transportation line, or in any other way in which the risk of loss will not be too great, & the expense of transit not disproportioned to the value of a box containing nothing of the nature of merchandize but only African curiosities.

When you see Dr Hall, please to say to him that I am exceedingly desirous of an interview with him, & that if he comes to New England, I hope he will by all means pass thro' New Haven, & come directly to my house.

Whatever expense may be incurred upon the box, will of course be added to the freight. For your trouble & care, you will
