

See - do not think me rude
if I enclose a note to Miss
Mollie Revell - as I do not
wish to send her a regular
mail letter - else she might
think I wished to open a
regular correspondence - if
you will be so kind as to
oblige me - you can give it
to Mart. to bring to her. I
will now wind up short
until next time - My love
to all at home and hoping
you may write to me very
soon - believe me always

Sincerely Yours
Will.
