Certificate of Capt. Brantlinger & Dr. Robinson for expenses of Md. Colonization Society Talbot Co.

Easton Md. Oct. 1837

Dear Sir Doctor

Since my arrival here I have concluded not to come up to your quarters to me, as it will be a needless and costly expense. We should take a steamer to have a comfortable accommodation.

See Mr. Stewart if practicable, if not, send this letter. I shall be the old Black Coat sent to me by the Steamboat on Friday, directed Cambridge.

If you can, please write me a set of Mrs. Perry's, Mary's, Charlotte's and Jacob's descriptions, with the dates of their late sickness & say, on what other matters connected with our operations it was a letter reach the office from Dr. Lipscomb & any other of our correspondents.

It is not possible to judge what will be the result of my trip to the Eastern Shore. Money is well received, and his influence with his own Co. is strong.

In haste
Yours truly
A. Lipscomb
