

Thurs May 7

Mr. Miller

Sir Your letter in relation to the House came duly to hand. and the information I promised Mr. Holland to obtain, was not at all satisfactory to him. As regards myself. I have not the most remote idea of purchasing the property. It being entirely beyond my means. like many others. not at all available at this time. I should think it rather a bad time to sell.

Very respt
A. J. Jarmey
