Frederick Sept 12th 1837

Dear Sir

I have under my care two young Colored Men, twin brothers, in their 22nd year who are to determine shortly whether they will select Africa as their home. In the event of their doing so, I wish to be apprized beforehand whether the State Society would take them this fall or not. Your early answer will very much oblige

Very Respectfully
Your Obt Svt
Albert Ritchie

Resolved that the plan of sending Edward F. McGill to one of the northern colleges to obtain a medical Education meets with the approbation of this Board and that arrangements be made for procuring a suitable situation as soon as practicable and the following Gentlemen be a committee to carry this plan into effect.)
