Rev. J. A. Easter Home Agent M. S. C. S. New York 25. Oct 1837

Rev and dear Sir

I have delayed replying to your favor of the 14th & 18th until after the meeting of our committee last evening.

In addition to the supplies already named the committee will now feel obliged by your adding to the purchases for the Episcopal Mission the following articles.

One Hhd of Tobacco		Pole marked F.M on account of the Episcopal Mission and consigned to Rev Thos S. Savage in case of absence to Rev John Payne or Lev L. B. Minor.
4 half Barrels	Mackerel No 1.	
4 Do Do	Herrings No 1.	
2 Do Do	Beef Mess.	
2 Do Do	Pork Mess	
2 Barrels	Flour	
2 Kegs	Butter	
2 Barrels	Crackers	
1 Barrel	Prime Beef	
1 Do	Prime Pork	
1 Bruce of	Codfish	

If practicable the butter (each keg of 6 lbs) packed in the Barrels surrounded by salt.

For these as well as those before ordered your Drafts on the Treasurer, Chas J. Aldis Bank of America at 10 days sight will meet due honor.

In reply to your queries under date 14th. I would say that the Committee will correspond with their missionaries upon the subject. They are not prepared to make any appointments of such teachers here, desiring to leave the actual employment of such assistants to those on the spot, as best qualified to judge from time to time of character and qualifications. There is little doubt but such aid will be needed in the progress of the mission, and how far the Com. would feel justified in aiding emigrants who may become employed on their arrival must be left
