Dear Sir

I rec. yours of the 20th ult. in due time but did not see the code of laws to which you refer till last evening.

I now acknowledge the receipt of it with much pleasure and thanks for it in behalf of our society; and will lay it before our Board at their earliest meeting. It is a beautiful & well arranged work and from the partial examination, which I have been able to give it, I do think it will calculated to be of immense importance & highly useful in directing the colonists in the way they should
