Cambridge Oct 31st 1837

My Dear Sir. I wish to inform you that on yesterday I received the names of Joshua Cornishes wife and his children who have made up their minds to go with Joshua to Africa — I trust you will secure a place for them all as they are an interesting family of people. If they go and from the information I have received I have no doubt. I shall have about ten in all. In haste I remain

My dear Sir yours most
Affectionately
O H Thompson
