Dear Brother Easter

Yours of 1st Oct relative to Brother Appleby's case was presented to the Board of Foreign Missions of the M. P. Church, by Rev T. Waters, and was read by the Secy.

The Board requested me to inform you, that they highly appreciate your kind intentions and valuable services in promoting their interest, and to say, that the services of Brother Appleby as a teacher could avail us very little in Africa at the present time. Our design is, as soon as we can command sufficient funds, to send out a Missionary and his wife, who shall both be qualified to teach, and the husband to preach. In the mean time we shall take measures to urge James to greater exertions, and send him some help by the next vessel. Should bro. Appleby go out, we shall be pleased to have an interview with him.
