Cambridge Novr 21st 1837

Dear Sir. I have sent up from Our County Eight Emigrants for Africa - I feel very much interested for them as they are a fine family of People - Joshua Cornish and Mary Cornish his wife, they are both members of the Methodist Church. They have four Children named, Jane Antoinette, Mary and Avey Ann. Joshua, is a rough Carpenter and a Good Farmer - John Hooper, is a young man, and can Read print pretty well he has been raised to farming, and other work of that nature. Winter Ballard, is a fine looking young Girl, and say she can Spell —

My dear Friend it would afford Mr. Gant pleasure to have gone up with them himself. but Circumstances forbid but Capt Tuttle will bring them to you — I would observe that Joshua was a Slave but his Master has manumitted him for him to go. and I have the Manumission. which is to be recorded after I return — an answer from you — Very respectfully yours
