Tuesday

Dear Sir,

Yesterday I sent a package by a subordinate officer of the Rail Road line for ~~Liberia~~ Cape Palmas, please to advise me, whether it was received in time to go by the Niobe, when your reply to the information about the chance of getting the black boy in the Hospital.

I expected a larger number of letters, and for that reason delayed so long; will there be another expedition soon for that part of Africa ~~too~~ from Baltimore or other port?

Very respy
