Rev. J. A. Easter.

New York Dec 11. 1837.

Dear Sir:

On returning to the city on Saty I find your letter of 4th Dec and the Bill therein advised $1112.50 accepted by the Treasurer. Many thanks for your kindness in attending to this Shipment, invoice of which we presume you forward @ to the Mimosanus. The insurance has been effected here but to complete it we need the Bill lading which please forward at your leisure. By the papers we see your vessel is again the Niobe. The premium of insurance was 2 p.c. and being rather more favorable than at B. was immediately effected here. We are without information from C.P. since 10 July.

Yours very truly

John A Vaughan. Sec & Genl Agt For. Comi
