

the invincible ~~trio~~ Callaghan
Jones & Holland will be on
hand to admire and ~~criticise~~
criticise the ladies. "Don't you
think we have a heap to
do. Are you going to the concert
for the Southern Orphans
to be held in your city
to night? I wish I could
go with but Alas! such
happiness is not in store for
me. Perhaps Callaghan &
I will take a flying trip
to Annapolis next week come
down in the morning and return
in the evening, But he is so
uncertain in his movements that
it is hard to keep the run
of him.

I have just been
having a hot quarrel
with a lady for taking
some letters out of Callaghan

pocket I spoke to her
on the subject. she grew
very angry so I let her take
her course. I am glad to hear
that Ann is so good I think
that a few weeks under my
guidance she will be quite
a good girl. I have not answered Miss
Liggins letter and will not do
so I am anxious to see her to
hear what she will say as
she pretends that she has
heard something about me since she
been away, but that is all fudge
and only an excuse for her behavior
towards me but there is no excuse
or tale she may tell can
close my eyes again.

I expect
that McElwain will
be down to see you in
a day or two; I have not
seen him since Sunday
