Dear Sir,

Yours favor of the 8th Inst came to hand this morning: I hasten to reply that I will gladly avail myself of the opportunity of sending the Servants of Mr Fathers Estate, through your Board, on the terms suggested - to wit - from Savannah to Baltimore & thence to Cape Palmas, I contract them there for 50$ each - Clothing - implements of Husbandry & Household utensils to be a separate charge - They will be ready to emigrate about the middle of January: but if it would add to their comfort; or to the convenience of the Society, their departure from hence can be deferred, & the interval be profitably employed for their benefit. With these remarks
