Centreville June 15 1838

A Boon you have a list of such persons as do not take out the Col. Journal. I sent you a list of before but did not mail it in the Letters and supposed it had reached you. In future I shall be more particular in giving you a list of such as do not get the Paper out.

I have to acknowledge my unfriendly not giving you the notice before you made the request, which you will please excuse. Very respectfully your obt. servt

T. Sutton
