Rev & Dear Sir,

I am happy to introduce to your acquaintance Col Coldwell of Ohio, a very excellent friend of all good objects & of the Colonization Society. He will explain to you an object he desires to promote during his visit to Baltimore.

I thank you for your recent very obliging letter & in its most kind & liberal sentiments entirely concur. It does me good to read your letters, & I have only to ask that you would let them be more frequent.

Inadvertently, in my last paper, I omitted to credit the news from Africa to your Journal. I will correct the ~~omi~~ error, or rather supply the omission.

With greatest respect
Rev & dear Sir
Your friend & obt Svt
