Rev S. A. Easton Cape Palmas July 4 1838

Dear Sir I arrived at Cape palmas on the 2nd of July after a passage of forty Seven days I would endeavour to give you the particulars but knowing that they will be handed be you in a systematic way and therefore I decline saying and to that effect. I found the Emigrants very troublesome but after a litt le while I got use to them. the bad no sickness during the passage or board with mentioning our Schooll was a good sea boat but to small. the Capt was very kind both to me and the Emigrants for which I think them. I found him to be a careful Seaman and I should think a skilfull navigator. I return you thanks for your kindness to me during my stay in your city. also the kindness of Mrs & and hope she is well. My health is very good at present but the Lord knows how soon it may be otherwise. I wish you would remember me to the Revd Mr Stevenson — Jehes and the plan and not forgetting Mr Kennard and say the letter which I for Mr Howard from Sorry to say I brought by mistake with me but I return it by the Schr Columbia it is in the care of Capt Franklin Master of the said Columbia. I wish you would be so

kind as to
