

particularly after being at the School
for some time. It's like the Army
and has ~~it~~ a great tendency to
spread demoralization in the society
who they associate with. Yet I must
confess that some are as fine
gentlemen as you will meet any
where. I have no Photographs at this
time but intend having some taken
this fall, and you shall have one
if you will accept it.

This section of the County is very well
situated in the upper portion of the County.
They have had a large Tournament
I have not seen a published account
but report says the riding was the
best ever seen in this County. I was
not present on the occasion. I would
not be surprised if we did not have
it rather gay this winter. Remember
me kindly to your Mother Father Sister
& Brother. I will now close this very
uninteresting letter. Hoping it may
find you enjoying good health & good
