Kind as to inform Mr. Howard of it I pray
I shall remain Greatly Obliged
yours Respectfully
E Stanley Byron

P.S. Sir this Will be handed to you by one John Samson and perhaps another Colour man who are desirous of becoming Settlers here. their Reasons for so doing they of course will inform you. during the short time that I have known them. they have conducted themselves with propriety and always at their best of duty. if you will allow me to express my opinion I think that they Would be an acquisition to the benefit of the Colony. and I hope that the Society Will think favourably of the matter I am aware that you know more of this than I and of course Will do that Which will most benefit the Settlement
