Geo. Read all the evidence published in the Murder trial of those two Hardened Sinners which has just terminated in your City, & think both are equally guilty and should suffer the severest penalty of the law.,
I never saw the amount of Crime recorded that is being brought throughout this whole Country. Of every discription. if its not soon stopped in some way I think the world will come to an end its wont be able to hold the amount of wickedness that generated and put into practice each day.
So Mr Hunt Spent the evening of the eighth with you but that he does every evening I believe. I guess were I living in Annapolis I would keep him company that is if you would allow me
