

I have not seen Ned &
a year I believe. Jim and
Myself are going to look
up before long.

You must not look so much at
the dark side of life & think
it so easy to smile as it
is to frown and I am sure
one feels much more comfortable
to don't put on a long face
for imaginary things anyway.
I guess were you to see me you
would say Pharoah had thought
for mine is always long. and
I don't laugh once a month
now. I must now close as I
have to go and take charge now
of another office - making two
I have under my jurisdiction.
I would rather be without it.

The pay is not equal to the responsibility. My kindest regards to your Parents and all at home accept my best wishes for your self. and I do hope

I am very glad to hear of your
 success in your studies. I hope
 you will continue to improve
 and attain the highest honors.
 I am, dear friend,
 ever your affectionate friend,
 Wm. Lloyd Garrison
