Cambridge July 13th 1838

My Dear Bro. Yours of 9th Inst is just rec.d and I haste to reply, to some of your inquiries, which I am a little at a loss to know how to answer — last fall when our emigrants, left here, they took with them several articles, a part of which they left with their friends, so that, as soon as they got to africa, by return boat they were to — write, sending their memorials back so as to convince their friends that there was no deception in the business — but so far as I am aquainted, no such communication has been made, altho reports are in circulation here, that some of them have written, and said, that if any of their poorer people wanted to go to Georgia let them come to me, and let me send them to africa — such rumors, are injurious to the cause, and how can I refute them as I have not received a single scrip from any one of the emigrants, altho, they promised ~~faithfully~~ to give intelligence to their friends through me, now if any letters have been sent in to any persons here or in
