Wmsburg July 16th 1838 —

Dr Rev Geo A. Baxter
Sec. Md Col Soc etc —

Dear Sir I notice in a letter from you to McGill directing him to call on me for funds to settle his bills. I regret that it is not in my power to furnish the same without executing a draft on Baltimore. It will therefore be better to draw directly on your Treasurer if you will furnish me. I can negotiate the draft in Baltimore — Please send me notice at once if I may do so as I shall leave this section of the country very soon —

McGill has given me a list of his expenses amounting in all to 181 dollars including everything until he reaches Baltimore. I should advise that the draft should be 200 & if any remains he can refund it —

I visited Hanover with him the other day & stated to Gen Murphy the importance of his passing an examination
