Rev. & Dear Sir

Two days ago I passed thro' Baltimore but had not an opportunity of seeing you. I have decided on accepting the offer of your Board for one year. The parent Society offered $120. but as our money was not any object in going to that country, and as they were left in need of medical aid at Monrovia, I preferred going to Cape Palmas. My aim is to do all the good I can and to merit the friendship of yourself and the Gentlemen composing your Board. and with the Blessing of Providence I shall endeavour to give all the assistance I can in carrying out their benevolent wishes. I trust that I shall also be enabled to increase my stock of experience respecting the diseases of that climate.

On my return thro' Baltimore I shall call upon you. I should like to know whether you allow any discount to your officers on any goods they may get out of your store - as the other societies do so.

I have the honor to be
