Sir

I take the liberty of writing to you a few lines, to know whether I could have a passage of the Board of Managers, to have me twenty five or thirty dollars to purchase some clothes clothing, for the weather is so cold at this time I have none that clothes if you will be kind to intercede for me I will be glad I will return and the money if got to Governor Russwurm when I return home to Cape Palmas- having expended my little means in sickness and paying my board that I am have left penayless
