Dear Bro

I hesitate to enquire, if you do not intend to labour, before the sailing of the fall expedition to our colony in Liberia - I think there is several who are disposed to go - and hope therefore you will try and visit us, if you can - come before the first of October - or about that time I expect to be in Baltimore, where I hope to have the pleasure of seeing you - Br Williams is very busy, doing all he can for the cause - and that not a little. He tells me of several who have contacted and are desirous of going - I think it would be well to make him a county agent - I am assured he would in this way be of very great service to the cause. - With my best respects to the family - I

Remain Yours Respectfully Yours
