Dear Bro.

Enclosed you have Bro Payne's letter for which I give you many thanks — I am on my way to Fredericksburg Va. I shall leave in the morning cars — & hope to return to this city with Mrs. Savage on Saturday a week; shall be at Dr. Hendleman's — I shd like to see you at that time in respect of matters of business; will call at your office — I shall probably wish to send out some freight by your vessel — I shall embark from N. Y. on 1st Nov {S. V.} —

Very affectionately
