Rev Ira A Easter

Dear Sir The last notice you had from me was dated from Newmarket I told you I was about setting off for Liberty I walked several miles one very hot day and carried my saddle bags which fatigued me considerably. I called on a Friend and he advised to go with him into the mountains and he would take me in his carriage assuring me it would be advantageous to my Health and that I might do something in my business I accepted his Invitation and I find my Health is wonderfully restored I have been at Clear Spring and up in the mountains my subscriptions amount to 61 Dollars with a few Dollars not received I shall call at Fredrick and Canvass that place and expect to be at home in a few days strong like an ox to labour, I thought it not Important to send you the names as I expect to be at home so soon —

I Remain Dear Sir
yours with great respect
