to Baltimore as soon as Circumstances will permit.
Should you wish in a day or
two direct to this City -

P.S.

I have this moment returned from seeing Jackson who is lodged with a respectable Colored man of this City - From the Commission of Jackson & his as that of a Colored Methodist Minister (who is paying Jackson marked attention) I am am impelled to the Conclusion that there will be no emigrants from this City this fall. The most inflexible prejudices exist among the influential blacks, and many of them will not see Jackson at all.

Should any Circumstances judge favorably occur, you will be informed, and should I be satisfied after a day or two that nothing can be done here, or in the County, we will return with all dispatch to Balto. and go below.

No effort was made to collect funds last night. Our friends here thought it best not to attempt it under existing Circumstances.

In this opinion I concur.
