should be no occasion on your part to regret the near proximity of our mission to your colony. I am perplexed in accounting for the ~~first~~ change & the strength of Mr. Wilson's opinions on the subject of Colonization. The fact & the freedom of their expression to Mr. Bayard, are owing probably to the near relationship of Mr. B., who is a brother of Mrs. Wilson. I am glad that Mr. Bayard took the course of communicating the letter to you, rather than ~~pursue~~ unfriendly perhaps. When I see you I rather think I shall show you ~~the~~ Mr. Wilson's letters to me on the subject; - that you may know the worst, that we may confer freely on the best course to be pursued, that evils may be prevented, & good secured. I have given the highest confidence in your magnanimity, & that you will make all due allowances for our respected missionary.

I am, my dear Sir, with great respect, most truly yours,

R. Anderson,

Sec.y of A.B.C.F.M.

P.S. I will reply to Mr. Easton's letter, as soon as I get time to look up the resolution passed by our Board some years since in relation to a Physician at Cape Palmas.
